POSITION SUMMARY

Siegfried has an immediate opening for an Associate Civil Engineer, operating out of either our Sacramento or Stockton office. In general, the duties of this position consist primarily of project and client management including, but not limited to, the following tasks:

- Oversee the production of construction documents for the design of both public and private infrastructure projects. This individual would be responsible for stamping and signing finished project documents.
- Proactively manage clients to insure their needs and expectations are being met.
- Participate in business development activities including pursuing, scoping and bidding prospective projects.
- Mentoring junior staff.
- When project deadlines require, assist in the production of construction documents including plans, estimates, specifications and calculations.

QUALIFICATIONS

Knowledge, Skills, and Abilities

- » Experience in the design and production of infrastructure construction documents including roadways, utilities, pumping facilities, onsite improvements, stormwater management facilities and related infrastructure using AutoCAD and Civil 3D production software.
- » An ability to professionally communicate with clients, technical staff and management.
- » An ability to identify potential markets and project pursuits.

Education

- » Bachelor's Degree in Civil Engineering

Licensure

- » California Licensed Civil Engineer; PE required

Experience

- » A minimum of 15 years of civil engineering experience

SALARY

Siegfried offers competitive salaries commensurate with experience and qualifications

BENEFITS

Siegfried offers an excellent benefit package, with minimal employee contributions:

- Medical, Dental, and Vision Insurance
- Life and Disability Insurance
- 401 K Retirement plan
- 18 Paid Leave days per year
- 10 Paid holidays per year
- Health club membership
